

Technical Advisor

Midlands / London

Full Time

CPG Europe manufactures high performance building materials to solve the complex challenges faced by today's construction industry. With over 1,400 employees across Europe, we are committed to shaping a world where buildings and structures save energy, last longer and exceed sustainability benchmarks.

Duties Include:

- Advise on fit for purpose Nullifire passive fire protection products and the practical aspects of their use to both internal and external stakeholders. Remote and on site where required.
- Effectively process and manage customers' enquiries from technical queries to design drawings and general product advice.
- Assist in the construction of UKAS accredited fire test builds.
- Provide best practice product installation guidance.
- To work closely and liaise with the necessary departments to ensure that all customers' technical needs are fulfilled.
- Train new members of the sales, technical and marketing teams on the technical aspects of the company products.
- Conduct training sessions for installing contractors and CPD's for designers and architects.

Successful candidates will have the following:

- Previous experience of working in the construction industry / in a test or accreditation house is desirable.
- Working knowledge of CAD or similar is advantageous.
- Knowledge and understanding of construction drawings.
- Proficient with Microsoft 365 programmes
- A willingness to adapt to changing business needs.
- Excellent communication skills.
- Strong team working skills

Salary & Benefits

- A competitive annual salary.
- Lucrative performance-based bonus scheme.
- 25 days holiday entitlement (excluding bank holidays) increasing to 27 days holiday following length of service with the business.
- A range of attractive benefits (pension, life assurance, private medical, perkbox and enhanced family friendly leave).
