

Product Master Data Manager

Leicester/ Wigan

Full Time

CPG Europe manufactures high performance building materials to solve the complex challenges faced by today's construction industry. With over 1,400 employees across Europe, we are committed to shaping a world where buildings and structures save energy, last longer and exceed sustainability benchmarks.

The main responsibility of the Product Master Data Manager is to ensure item data integrity within the SAP systems at CPG UK.

The successful candidate must be available to work in either our Leicester or Wigan office for a minimum of two days per week.

Duties Include:

- Item creation and SAP set up management.
- Product life cycle management to help identify sales trends and highlight triggers that show items should be removed as a stocked item.
- Item master data maintenance, data integrity and governance
- Vendor liaison ensuring that all 3rd Party BIFG's are set up with the correct data and is maintained
- Customer data maintenance ensuring that all customers are set up with the correct data and is maintained.
- Stock turn monitoring and reporting.
- Distressed stock management and reporting.
- Optimise system capabilities and become part of the Business SME team to implement best practice and better ways of working.

Successful candidates will have the following:

- SAP Expert with a minimum of 3 years' experience in SAP Master data maintenance.
- A recognised business qualification is desirable.
- Proficient with Microsoft 365 programmes
- Self-motivated with the ability to work on own initiative.
- Positive and enthusiastic attitude.
- Excellent communication skills.
- Strong team working skills

Salary & Benefits

- A competitive annual salary.
- Lucrative performance-based bonus scheme.
- 25 days holiday entitlement (excluding bank holidays) increasing to 27 days holiday following length of service with the business.
- A range of attractive benefits (pension, life assurance, private medical, perkbox and enhanced family friendly leave).
