

# AW421

## INDUSTRIAL CLEANER

### KEY BENEFITS SUMMARY

- Removes most adhesives & sealants
- Cleaner for tools & equipment
- Thinner for solvent-based adhesives
- Degreaser for substrates prior to bonding

### PRODUCT INFORMATION

#### Description

AW421 is a powerful solvent-based cleaning solution for dissolving and removing mastics, adhesives and sealants.

#### Usage/Purpose

AW421 will remove many common adhesives and sealants, particularly in the uncured state.

The product may also be used for cleaning and to degrease other surfaces that are not sensitive to solvents such as metal, ceramics and glass.

The product can also be used to dilute CT113 Contact Adhesive, in order to achieve a consistency suitable for use as a surface primer.

#### Please Note

The product is not suitable for use on materials and surfaces which are sensitive or prone to solvent attack.

#### Colour

Clear

#### Packaging

AW421 is supplied in a 5 L screw top can.

#### Protective Equipment

USE IN WELL VENTILATED CONDITIONS and ensure all recommended protective equipment is worn during handling & use of this product. For full recommendation, refer to safety data sheet.

#### Application

- Always carry out a test to confirm compatibility prior to use.
- Generally it is advisable to apply the cleaner as soon as possible before skinning or curing has started to occur.

- Apply with a soft clean cloth or paper wipe.
- Remove with a second soft clean dry cloth or paper wipe.

#### Health & Safety Precautions

Safety data sheet must be read and understood before use. Highly flammable - keep away from open flames and other ignition sources.

#### Availability

Direct from Tremco CPG UK Limited (see back of leaflet for address and telephone details), or via local and national distributors.

#### Technical Service

Tremco CPG UK Limited has a team of experienced Technical Sales Representatives who provide assistance in the selection and specification of products. For more detailed information, service and advice, please call Customer Services on 01942 251400.

#### Guarantee/Warranty

Tremco CPG UK Limited products are manufactured to rigid standards of quality. Any product which has been applied (a) in accordance with Tremco CPG UK Limited written instructions and (b) in any application recommended by Tremco CPG UK Limited, but which is proved to be defective, will be replaced free of charge.

No liability can be accepted for the information provided in this leaflet although it is published in good faith and believed to be correct.

Tremco CPG UK Limited reserves the right to alter product specifications without prior notice, in line with Company policy of continuous development and improvement.
