

Description

AA292 Cleaning Cloths are made from spun bond fabrics fiber cloth with water, ethyl alcohol, glycerin and perfume soaked. They have been developed to be highly effective to remove wet and semi-cured adhesives, sealants and expanding foams; for use on hands, tools and surfaces.

Packaging

100 cloths per tub
6 tubs per carton

Application

- Pull off lid and open closure. Find start of wipe in centre of roll.
- Pull wipes through the opening of the lid, which is separated at a perforation and thread through the lid.
- Replace lid immediately and reseal closure

Storage

Store in cool dry conditions away from direct sunlight between 5°C and 25°C. Storage outside these parameters will significantly reduce the shelf life. Ensure good ventilation.

Shelf Life

36 months from date of manufacture when stored in original unopened containers.

Notes

- Use only as instructed
- Do not use on porous surfaces such as untreated wood
- Do not dispose of wipes in toilets
- Store only in original container
- People with sensitive or damaged skin should avoid prolonged contact with skin

Health & Safety Precautions

Safety data sheet must be read and understood before use.

AA292

Cleaning Cloths
