

Environmental Product Declaration

In accordance with ISO 14025 and EN 15804

With this declaration, Tremco CPG Europe confirms that the components of system:

Flowshield Acoustics

are covered by FEICA's enclosed model EPD, which indicates that the provided LCA data and the other data and information from the attached model EPD are applied and can be used. Components of aforementioned systems correspond to the following EPD:

Function	Product name	EPD Number	EPD Description
Primer	Flowprime LE100	EPD-DBC-20220175-IBF1-EN	Products based on epoxy-resin, group 2
Alternative primer	Hydraseal DPM	EPD-DBC-20220175-IBF1-EN	Products based on epoxy-resin, group 2
Acoustic insulation	Flowshield dBm	EPD-FEI-20220109-IBG1-EN	Products based on polyurethane, group 5
Main layer	Flowshield LXP Soft	EPD-FEI-20220109-IBG1-EN	Products based on polyurethane, group 5
Pigmented topcoat	Peran PU (pigm.) Matt	EPD-FEI-20220106-IBG1-EN	Products based on polyurethane or silane-modified polymer, group 2
Topcoat	Flowseal PU Matt (Ultra)	EPD-FEI-20220107-IBG1-EN	Products based on polyurethane or silane-modified polymer, group 3

As a member of FEICA (Association of the European Adhesive and Sealant Industry), Tremco CPG Europe, can use these model EPD's and confirms that the manufacturing technology and the mentioned finished product's chemical composition are covered by the FEICA's enclosed model EPD, which is verified by IBU (Institut Bauen und Umwelt e.V.).

Program	In compliance with FEICA EPD model
Program Holder	Institut Bauen und Umwelt e.V (IBU)
Publisher	Institut Bauen und Umwelt e.V (IBU)
